

Quaroni Group (clone)

Fraudsters are using the details of firms we authorise to try to convince people that they work for a genuine, authorised firm. Find out more about this 'clone firm'.

Almost all firms and individuals carrying out financial services activities in the UK have to be authorised or registered by us. This firm is not authorised or registered by us but has been targeting people in the UK, claiming to be an authorised firm.

This is what we call a 'clone firm'; and fraudsters usually use this tactic when contacting people out of the blue, so you should be especially wary if you have been cold called. They may use the name of the genuine firm, the 'firm reference number' (FRN) we have given the authorised firm or other details.

You can find out more about [this scam tactic and how to protect yourself from clone firms](#) [1].

How to protect yourself

We strongly advise you to only deal with financial firms that are authorised by us, and [check the Financial Services Register](#) [2] to ensure they are. It has information on firms and individuals that are, or have been, regulated by us.

If you want to check a consumer credit firm that may not yet have been authorised by us, please also check the [Interim Permission Register](#) [3].

If a firm does not appear on the Register but claims it does, contact our Consumer Helpline on 0800 111 6768.
